## notes

Thank you to the Delorean Worldwide Community for contributing.

Vin?? – indicates a report of a car, but VIN number is unknown.

n/a – indicates where a location previously had a car on display but that it is no longer there for the reason stated, if known. Included on the list for the sake of completeness. These cars are not included in the total.

**Red font** indicates items that have been added/changed since the previous issue.

☼ - indicates that a photo of the car in the museum is available

Any help in filling in the “?” would be appreciated. Email Dermot on gmail at “dmc02743” or via “Dangermouse” at DMCTalk
